THE FIRST CASE OF SUNSTROKE. lar Death of a Policeman in St. Louis

Cingular Death of a Policeman in St. Louis—

Premositions of Death.

(From the St. Louis Republican, May 23.]

At an early hour yesterday morning the Coroner was notifed of the fact that the body of a dead manwas by my my an an open field near the Widow's Home on the Carondelet road. On arriving at the spot, which is known as F. asan Hi, the body was found there, and proved to be that of a man of about thirly or thirty-five years, attired in metropolitan police pants, gray vest and dark coat and a back left hat le had in his pocket a "billy," a sor, or slung shot, but not so heavy; a pocket) ok, containing fitten dollars and orty-five cents, and two cartickets—one for the St. Louis railway company and another for the Union railway company. There was a so found in his pocket a Key and a pocket knile. There was no evidence of fost piay on his body; his dress and the "billy" indicated that he had been in the police force, the name of the deceased is Comad Hirmer, who resided at No. 1,116 North Fourtsenia street. Last year, when he was in the police force he was laid up for two known and the police force he was stationed at College of the police force he would have to be very careful. Yesterday week he was stationed at College Hill, where a peach was held. He was much exposed to the sm. and received another a rike. He came home and acted in a strange manner. On Saturday alice most he tood his wife he was flat the tood his wife he would go to Frenchtown to a relative, and that was the last she saw of mm. It is said that on Saturday night he called at the ballroom of the Wid Hunter he was the saw of mm. It is said that on Saturday night he called at the ballroom of the Wid Hunter. He was ked into the room, and take the sate of him. He had perfectly sobar, and was the last was the last she saw of him. He had taken sixteen steps. He hen turned rond and waked that on Saturday night he called at the ballroom of the Wid Hunter. He was ked into the room, and the first and perfectly sobar, and waked slowly across the room c

An Excition Scene.—Considerable excitement was caused a few evenings said on Montgomers street, by the sight of a little child, apparents about two or three years of age, at and ng on the said of a window in the foorth story of a age building on the corner of have mente street. The rading or batterious in it were large enough to allow the little one to pass through and stand on the slit, looking down, seemingly an onactous of any danger, to the pavenous, some eventy feet below. Quite a c owd collected and gazed at the child above, momentarly expecting that it would fait a direct deals to pieces on the addewark, as here seemed to be no one in the room behind at to take circ of it. Some man rested applicable and gazed the child above was effort from from its perfect by the child was recarded from from its perfects part of the building, and the child was recard from from its perfects part of the building, and the child was recard from from its perfects part of the building, and the child was recard from from its perfects part of the building, and the child was recard from from its perfects part of the building, and the child was recard from from the perfect of the spectars of the building, and the child was recard from from the perfect of the spectars of the building and the child was recard from from the street.—San Francisco Bulletin, May 16.
